Celebration Plans Making Progress

Plans for White Rock's 1941 May Day celebration are steadily nearing completion. A small, but interested, gathering turned out to Tuesday's meeting, to enthusiastically do their bit towards furthering the May 24th celebration over the top. One offer gladly accepted by the meeting, was made by the Lindner Lumber Company of a large doll house. This play house will be drawn for at the May Day Ball, the money derived from the drawing to be divided between the May Day committee and charity.

Two card parties are being arranged to help swell the funds of the committee; one party to be held on Friday evening, April 18 at the Legion rooms; the other at a later date in the Army and Navy hall, in charge of those affairs will be Madames N. Henry, C. Ailla, R. Oswald, A. W. Robinson, Messrs J. Bielby and F. T. MacMillan.

The meeting decided to tender for the Queen's banquet, tenders to be in by April 30. Funds are urgently needed by the committee, and the finance chairman reports that contributions may be left at the following points: Dempsey's store, Hughes & MacKenzie, Bloom's store, Kay's Beauty Shop, Fred Hanlow's, Munro's store, Mill store and Park place.

An executive meeting will be held at Geo. Thrift's office Wednesday April 16 at 7.30 p. m.

Grand Display At Fashion Show

Apple blossoms and daffodils decorating the Masonic hall Friday afternoon, heightened the spring like atmosphere of the V. O. N. Fashion Show, where the latest in suits, hats, coats, dresses and a variety of accessories were modelled before a large number of style-conscious women.

Mrs. J. Tucker, president, welcomed the guests and in turn introduced Miss Doris Hanslow, of the Fashion Centre, who commented on the materials, colours and styles of the clothes worn by her models. Many comments were heard, as four small children, Margaret Jean Sheppard, Shirley Scott, Gill Cunningham, and Marilyn Davis, displayed the latest in kiddies wear,

Several Visiting Clergymen Attend

The Westminster Presbytery of the United Church of Canada, consisting of forty-four Ministers and an equal number of Lay representatives convened in White Rock on Tuesday April 8. Rev. R. A. Redman of Chilliwack is chairman, Rev. F. W. Hardy of White Rock, secretary and Rev. D. Donaldson of Milner, treasurer.

In addition to a heavy docket of business preparatory to the annual Conference in Vancouver in May, the delegates heard a number of inspirational addresses. An impressive Communion Service was conducted by the chairman, assisted by Rev. W. L. Hall.

Among visitors taking part were Rev. Dr. Isaac P. Ward of Bellingham, Rev. Dr. Geo. A. Wilson, of Vancouver, Rev. Dr. J. W. Melton of Vancouver, Rev. Dr. W. J. Siple of Victoria, Rev. Francis Stevens of Vancouver and Rev. Peter Henderson of Courtney, President of Conference.

Luncheon was served by the Women's Association, under the direction of Mrs. Sinclair, with Mrs. W. L. Hall in charge of the effectively decorated tables.

designed and made by Mrs. P. B. Houghton.

The Misses Florence Aitken, Alice Anthony, Betty Magill, Meryl Barge, Velma Wilcock, Jean Hanslow, and Marguerette Bennet took the part of manikins.

Following the show tea was served, the six visitors were the Misses Doreen and Edith Collihan, Joyce Hicks and Jean Wilcock.

Family Medical Plan Is Suggested

Several local residents are considering the idea of a resident physician for White Rock, who would undertake to provide medical attention at a nominal monthly fee to those who would group together to form an organization for that purpose.

The plan, it is stated, would be of immense benefit to those who joined the group, and would include medical attention for their families as well.

It is suggested a small monthly fee, perhaps a dollar, would suffice, providing a large number took advantage of the scheme.

Sponsors of the plan state that it has been tried in other communities and has proved of material benefit to a large number of people.

Eighteen Presented to Bishop Heathcote For Confirmation

A large class was presented to Bishop Heathcote to be confirmed on Thursday evening last in Holy Trinity church, which was crowded with the congregation who came to support the candidates. The address of the Bishop was a splendid heart to heart talk. After the service in the parish hall they were each introduced to Bishop Heathcote for a little informal chat.

Following is a list of those who were confirmed.

Florence Willes.
Margaret Willes.
Marie James.
Joan Simmonds.
Shirley Simmonds.
Juana Weston.
Thelma Peebles.
Betty Wilson.
Barrie Hayward.
Mrs. H. Baker.
Mrs. P. Ballard.
Mrs. (Dr) Sparks.
Burton Baker.
David Taylor.
Roy Clarkson.
Nigel Roberts.
Stanley Willes.
Tetro Blair.

Model Aero Club Formed

Under the guidance of Fred Hanlow, about twenty local boys have organized a model airplane club, to be known as the White Rock Aero Club. The boys will meet Wednesday of each week in a workshop provided by Mr. Hanlow above Hanlow's Garage. Model makers interested in becoming members of the club are asked to turn up at the next Wednesday meeting.

A play entitled "Don't Darken My Door" will be presented by the Crescent Players at the Anglican Parish hall on Friday April 18th at 8 p. m. The play put on by this group last spring was an excellent production and many are looking forward to their 1941 presentation.

Dr. Francis Hall, Bellingham Speaker Peace Arch Service

The eleventh annual Easter Service at the Peace Arch park will be held on Easter Sunday afternoon at 3.30 p. m. April 13. The program this year is under the auspices of the Whistler County Ministerial Association. Numerous groups will take part and the public on both sides of the boundary are invited to meet at this historic spot.

The American speaker for the occasion will be Dr. Francis Hall of the Broadway Presbyterian church, Bellingham, Wash., his topic will be "The Living Christ for a Tragic Hour". The Bellingham Salvation Army band will offer special music and assist with the singing. It is expected that a special speaker from Canada will be present, but at the time of going to press no information is available.

It is expected that many from the White Rock district will attend this nationally known Easter Service.

Prov. President Visits Local Unit

The Army and Navy Vets hall is steadily being outfitted for the comfort of members. The latest additions, ten wicker chairs donated by one of the Vancouver units, a pool table, also from Vancouver, and a radio from a member on active service.

At the Unit's regular meeting held Friday last, three visiting members, George Tucker, the Provincial President; H. E. Warburton, J. P. Provincial Secretary, and William Anderson, President of Vancouver Centre Unit, were welcomed to White Rock.

A long discussion arose over the summer program for the use of the hall, nothing definite was settled on and discussions were left over until a future meeting. Three new members were welcomed to the unit.

Following the business session a hearty lunch was served.

W. I. Meeting

The regular monthly meeting of the W. I. was held in the Pier Tea rooms. Roll call was answered by a donation of books or coin for the High school library. After the bus was over, Mr. Abbott, principal, gave an interesting talk on school aims and routine, and gave an invitation to the members to pay the school a visit, which a good many plan to accept in the near future.

The group is very busy getting ready for the Bundles for Britain van which comes this month. A letter has been received from Manchester, Eng., saying the last shipment arrived safely and everything used during the terrible air raids in February and a request was made that these garments and quilts have arrived and can give such comfort.

P. T. A. Notes

The P. T. A. held their regular monthly meeting Wed. April 2 at the school with the president, Mrs. Lee in the chair. Mrs. Lee reported on the Whist party given by Mrs. Weston at her home recently, and the attendance was not what it should have been, those present had an enjoyable evening. The P. T. A. wish at this time to express to Mrs. Weston their thanks for her hospitality, also to the ladies who assisted her.

The report on Canon Holdrum's lecture on "Birds" showed that he had gone to a lot of trouble by securing specimens from the museum. He gave a very interesting lecture, and it was felt that more adults should have availed themselves of the opportunity to hear this talk. The P. T. A. express their thanks to Canon Holdrum and also to Rev. Lashley Hall who acted as chairman for the evening.

After a lengthy discussion it was decided not to send a delegate to the P. T. A. Easter convention this year. Mr. H. D. Abbott, principal of Semiahmoo Jr. Sr. High school and Miss G. Mockridge of the same school were welcomed to the meeting. Mr. Abbott suggested the idea of a P. T. A. for the Semiahmoo school, the proposal is to be further investigated and reported on at the next meeting.

Mrs. Henry, vice president of the May Day committee, asked for a delegate to the next May Day meeting. Mrs. Peebles was appointed.

Mrs. Jamieson, of Borne Vista ave., offered her house for a Spring Tea on April 30th from 3 to 5 p. m. Mrs. Samson will be co-hostess. The next meeting will be held on Wed. May 7 in the evening probably in the United church hall, and in charge of the staff of the White Rock school. Several members asked that the Verse Speaking Choir, which won the cup at the recent Festival, be heard that evening, also the Chorus and Rhythm band, this may be done and announcements in this connection will be made later.

A reading by Mrs. Work on "Fear" closed the meeting, which was arranged by Mrs. Cook, Mrs. Ashton and Mrs. Work.

Quantity Of Scrap Sent To The Red Cross

Fourteen large boxes of tin foil, aluminium, razor blades and medical bottles, gathered together by the efforts of local citizens under the plans of Fred Hanlow of the Rose Jar, were shipped to Red Cross headquarters last week end. Tom Stog donated transportation for the consignment.

As an added attraction, the Park Theatre is offering a fifteen minute soviet to patrons next Wednesday, Thursday and Friday. "Lani and Son", an internationally known radio and stage team will present Hawaiian musical novelties, and feature the singing electric guitar.

Mrs. B. Verity of Vancouver, is a visitor to White Rock.

EASTER 1941

Once again it is Easter, which is celebrated throughout the Christian world as the crucifixion and resurrection of Our Lord. In that year many centuries ago He died and rose again for the salvation of the world, this year a conflict of good over evil is still going on; many are dying to uphold the righteous cause that peoples may be able to live in harmony with one another. True, we may not always live up to our beliefs, but the spirit is there and it is up to us as individuals to so will our words and actions that through the individual the whole may so impress itself that a better way of thinking may prevail that peace and security may be restored to the world once more.

Everyone Is Invited

Did you ever think of your newspaper as a community institution in which you were a partner?

Did you ever realize that often you enjoy reading a report, an article, an item of news, because some other reader was thoughtful enough to pass it along to the editor?

Did you ever realize that every now and then you yourself become the custodian of interesting reports, articles and items of news, which others might be glad to learn.

The Semiahmoo Sun is indeed a community institution. Its function is to gather and receive news from some and pass it on to all. Just as you enjoy learning of your friends and the doings round about you, so others enjoy learning of you and the things you know.

The Sun invites you to call at the office, or to send in written form all items of news of local interest.

You'll enjoy this active partnership in the production of this newspaper.

"White Rock Newsettes"

Mrs. N. D. Brown of Vancouver is stopping at her home on Columbia avenue.

White Rock Liberal association will meet in the Mission hall Tuesday April 15 at 8 p. m.

Aymrick Vidal, who is now in Brandon, Manitoba, writes that he is enjoying the life very much.

Bells of Freedom...

Ring every Sunday, in Canada

"In many lands this year bells are silent—bells are dimmed..."

Rev. How. W. L. MacIntyre Knox,

It is your privilege to attend the church of your choice... to worship as your conscience wills.

A Nazi world means the end of the church you love. It means complicity to accept a form of worship prescribed by political dictators.

In the words of the Prime Minister, "When we speak of the preservation of democracy, of Christianity and of civilization, we use no idle words... the existence of all three is at stake."

Freedom of worship is one of the priceless privileges that all Canadians enjoy. That death-bought right is in jeopardy. Therefore we must all unite in supporting Canada's war effort in order to preserve this Freedom.

Keep up YOUR PLEDGE!... Increase Your Regular Investments in WAR SAVINGS CERTIFICATES

Remember—in addition to your pledged amount—keep your regular investments in War Savings Certificates from your local War Office or Bank, or direct from the War Savings Committee, Ottawa.

avoiding waste.

8. Index number of living costs on the base 1935-1939 equals 100. Highest index from 1933 in January 1940 was 103.2. Lowest cost in February was 73 per cent above the level in August, 1939.

9. Canada now producing 60,000 planes annually.

10. Department of Munitions and Supply places orders for 30 flying boats.

11. Canadian Air Force announces urgent need of 3,500 radio technicians who have given a short intensive course in radio work and sent overseas to take their place in the ground defence against aerial attack of the British Isles.

Norway Under Hitler.

Daily life under the Nazis as revealed in a letter from friends in Norway.

"Yes, keeping house in times like these is certainly difficult, for rationing is very strict. Meat can scarcely be found anywhere, and even farmers who have pigs are not allowed to use them for their own families. It is almost impossible to get anything because the fishermen have no gasoline for their boats. You can't think of buying anything without a ration card, not even thread, yarn or a tiny piece of cloth. We get 300 coupons per year in our card but a dress requires 150 coupons and a little yarn 20 coupons. Men can buy only one suit or overcoat a year. I am in despair when I think how many coupons it takes just a boy stocking for the boys."

"Even with a bread card we have to buy 9 kilos of coarsely ground rye meal in order to have one kilo of wheat meal; as for real flour, that can't be bought in the stores. It's a daily problem to know what to prepare for meals. Fortunately we have enough milk left over up to now... I could write a great deal more about difficulties in housekeeping, about having to stand in line at the market place for hours in order to buy five eggs, and so on, but I shouldn't complain too much, for we have not suffered real hardship yet."

B.C. Red Cross Not Sponsoring Chain Quilt.

The British Columbia Red Cross Division is not sponsoring the chain quilt idea, which at present is being promoted in some parts of the province under the name of "Red Cross Circulation Quilt Block".

Radio Mechanics—Air Force.

The Royal Canadian Air Force is planning to give instruction to suitable persons who desire to become radio technicians, even though they have no previous experience. The prerequisite is sound education and a desire to be trained in the use of radio. Those who pass their course successfully will be sent overseas to be sent overseas almost at once. The scheme calls for enlistment of those who can comply with the conditions, followed by an intensive training in radio work over a period of about thirteen months. The training will be conducted in various Universities and an effort will be made to place the recruits in the University closest to their homes. Any who fail to pass the course will be given the option of re-enlisting which they may be found adaptable or being granted their discharge.

It is felt that the opportunity thus offered of learning a trade for immediate service overseas is a really responsible one. Particularly as the war is so urgent, it is quite possible that many young men who have applied for various branches of the Air Force, particularly flying duties, may have been rejected due to oversight or other defects, which, while barring them from the air crew, would not prevent their enlistment as radio technicians. Such persons are urged to re-apply.

The Trade of Radio Technician in the Air Force is one of great responsibility and the value of these men in fighting the great battle of England cannot be overestimated.

Particulars may be obtained from Mobile Recruiting Officers, through the Province, or from the RCAF Recruiting Centre, Vancouver, B.C.

Klondyke Nights For Red Cross.

"Klondyke Nights" — with programmes reminiscent of the wild and roasting cold raw days of '98 is a popular money-making idea for Red Cross. Burns Lake recently added \$200.00 to its treasury by sponsoring one.

By Tom Reid M.P.

Last year \$700 Million was spent on defence purposes but an extra \$135 Million was required to take care of further expenditures for the fiscal year which ended March 31st. When this estimate was before the House on Monday Colonel Ralston was asked further questions by the opposition and he gave considerable information to the House about military equipment pointing out, however, that Canada seemed to be the only country from which demands for statements as to everything being done. Much of the information demanded by the Opposition Col. Ralston declared is desired by the enemy and useful to saboteurs. From the information given by the Minister it was evident Canada's Military Effort has now got into full swing. Earlier in the day's Session some discussion took place in regards to the price of sugar. Hon. Mr. McLaughlin, who spoke for the Wartime Prices Board, explained that last May when prices of raw sugar were going to advance over-night the Sugar Commission had bought out all the sugar in the hands of the refiners and sold it back to them the following morning. The reason for this operation, it was explained, was to divert to the Treasury the advantage of any increase. Considerable discussion occurred during the evening's Session in connection with a Government Park in Northern Saskatchewan, the Province and another part to be used in the Indian Reserve, all of which raised considerable enquiries and a thirst for information.

THE SEMIAHMOO SUN

tion by the Opposition.

Nearly all of Tuesday was taken up with discussion on the war estimate \$135 Million for the fiscal year just ended. During the discussion many points were brought up, one of them was that those who joined units of the Canadian permanent militia, before being called to Canada, Col. Ralston between the British command and the Canadian Troops serving abroad. The Minister emphasized as important the fact that in the process of the war there had been complete harmony between the British and Canadian Governments, and the British and Canadian commands. During the evening's session ships and ship-building was discussed. Nova Scotia was to be a great place for wooden shipbuilding but it appears that this is not so today. Some of the Members from that Province would like to see shipbuilding revived but the Minister pointed out that the Government was not contemplating doing so until all the other shipyards in Canada were fully equipped.

Earlier in the day Hon. Mr. Hanson, Conservative Leader, advocated the donation to Great Britain of 100 million bushels of wheat to be sent in the form of flour. With the banks of the Atlantic under way and sinkings of ships taking place, it was to be expected that ships and ship-buildings would be discussed in the House and so the matter was again brought up on Wednesday. Mr. Howe, Minister of Munitions, who was present, made a statement that the Government in Canada it is possible to build but some judgment had to be used in the matter. The kind of ships to be constructed would be of the 10,000 ton type. The British Government, he declared, had contracted for certain ship-yards and the Canadian Government will see to it that the rest of the ship-yards are fully equipped not only on both Coasts but on the St. Lawrence and the Great Lakes as well. Incidentally in his speech he mentioned that one-third of all the munitions produced in Canada will ultimately be sent. Evidently there is going to be a production in the armament production. The Minister spoke about further difficulties, which have arisen in the matter of housing, and that the Government were now being faced with having to build houses in certain districts where labour has flocked in. The Minister of Finance was anxious to get the \$135 Million Bill through the House so that the accounts for March could be paid but this was not accepted without discussion.

With the snow going very fast. On Thursday the Minister of Finance announced that it is not the intention of the Government to bring down the Budget before Easter. He also indicated that he would have something to say in connection with the excess profits tax which at present is fixed at 75% but which Hon. Mr. Bailey said really works out at 79 1/2%.

From reports around Ottawa it would appear that the Prime Minister plans to visit President Roosevelt during the Easter recess to discuss a number of official matters of common interest between the two countries. In Thursday's proceedings Mr. Blackmore, Leader of the Social Credit Group now known as the New Democracy, dealt with the growing of sugar beets in Alberta advocating the encouragement of sugar beet growing to replace cane

Canadian Legion members, who during the summer months, have had to do without their club rooms, will this year be able to continue their daily bridge drives uninterrupted by the renting of the convention hall for a large club room to be built out of the locker room at the north end of the Pier team.

Theatre News

sugar, which is imported from Cuba or the West Indies. Hon. Mr. McLaughlin, Minister of Labour, in reply to this pointed out there is another side to the picture, namely, the market for Canadian fish and potatoes and other products which find a ready market on these islands where the sugar comes from.

In the evening Supplementary Estimates for the past fiscal year were passed.

A suggestion put forward by Hon. Mr. Hanson, Leader of the Opposition that the House adjourn at 6 p.m. on Friday evening for the Easter Recess time for consultation with the Leaders of the various groups. The decision being arrived at that the House would carry on its Sessions until Tuesday before adjourning. Friday's Session dealt almost entirely with the question of wheat and it was evident from the remarks made that this subject will be debated for some time yet. At 3:15 proceedings in the House were interrupted by a message from His Honour the Deputy Governor-General summoning the House of Commons to the Senate Chamber where certain bills passed in the Senate were given assent to.

The Young Peoples Union of the United Church will meet Sunday evening, April 13, under the patronage of the Christian Missionary Society. Topic will be "Missionary work in India".

Miss Lorraine Dupres, of Lorraine Linenry Shop, left for interior where she will be employed for the next two months. During her absence, Mrs. N. Walsh will manage Miss Dupres's store.

British Victories In Western Desert

The British forces in their Western Desert advance have swept the Italians from Egypt and far over the Libyan border. In this picture three captured Italian Generals are seen with British officers.
